

2024 Evergreen Raceway BANGERS rules

ELIGIBLE CARS for the Bangers Division is open to any front or rear wheel drive passenger car with a maximum wheelbase of 110". Excluded are convertibles, T-top cars, mid-engine, aluminum bodied, and special production sports cars. All cars are subject to approval by track tech. Any car deemed to be outside the intentions of the division will be disallowed at the tracks discretion.. If you have any question as to the eligibility of your car, please ask to approve it before you waste valuable time and materials constructing a car which may be disallowed. Any car deemed not structurally sound (i.e. excessive rust of the frame or unibody, etc.) will be ineligible to compete. The decision of raceway management will be FINAL. Stock means for the Year and Make of the car being used.

-No Honda VTEC Engines.

-No car with a stock hp rating over 160hp

-There will be 18.0 lap time limit. If you break out, you will be black flagged.

-Races will be run on either the oval or the road course. You will not know until the day of the race
